

Is America scheduled to become the Rothschild Khazarian Mafia's next Hellstorm?

By Preston James, Ph.D on May 3, 2015

Now for the first time we have discovered the secret hidden Agenda of the Rothschild Khazarian Mafia (RKM) which is to create successive Hellstorms, using each one as a pretext for the next and culminating in an American Hellstorm and a final Worldwide Hellstorm destroying all of humanity.

During the last two years as more and more the of the secret Worldwide structure and mission of the Rothschild Khazarian Mafia (RKM) has been discovered.

These newly discovered facts which were never intended to be revealed. We know this because of the long term efforts to wipe them from the libraries and history, have been shared publicly on Veterans Today and other Alternative Media Publications.

We can now state that it has become unequivocally clear that the RKM is an incredibly evil, inhuman parasite that feeds of the enslavement of humanity using their two-faced criminally insane sociopathy to keep their limitless evil hidden from recognition by their victims and future victims-to-be.

We now know for certain that the markedly anti-human secret, but age-old Agenda of the RKM is based on the ancient Babylonian Talmudic cult some experts now call Frankism, Sabbatteenism, Bolshevism, NeoBolshevism, or most commonly Rothschild World Zionism (historically called “Sionism” before the Bauers appeared on the scene).

These Evil RKM Bloodlines go way back to ancient Babylonia and Babylonian Talmudism, Black-Magic and Baal Worship and child and mass-human sacrifice to (Baal aka Satan).

We now know for certain that all of the RKM top players are genetically related and continue an evil bloodline going all the way back to ancient Babylonia where members of these family lines learned and mastered what is called the “Black Arts”, Black-Magick, Babylonian Money-Magick, secret “disguised” assassinations as a main way of attaining or maintaining power, which is the art of manufacturing Counterfeit money and distributing it fraudulently to extract everybody else’s real wealth and the fruits of their labor.

We know that these core family RKM groups from which these RKM leaders emerge specialize in the ability to be two-faced, that is, able to project a fake people-oriented, caring, sensitive appearance on the outside (thus making them great confidence-men), while on the inside they are vicious anti-human snakes, parasites on humanity and perpetrators of child-sacrifice and major wars to kill of millions of humans as painfully as possible, while making huge profits from doing so and gaining more and more centralized consolidated power.

Other experts refer the top Chieftains of the RKM group of powerful, two-faced anti-humans as the “Synagogue of Satan”, Baal or Moloch Worshipers or “the Children of Cain”, or the Kenite Bloodline, which they have alleged is a “fallen angel” or hybrid bloodline with deeply inbred desires to enact incessant evil; this is a main characteristic of its genetic code, to be individuals with no human soul and with a complete inability for any human compassion toward humans.

Despite their incredible apparent Satanic Power, the RKM is going to be ganged up on by the whole World and eventually eradicated, because they are soon reaching the point where their top real leadership no longer needs them.

And despite all the incredible power they have because they now control all western nations and their internal Secret Police, Governments and officials, the RKM top leadership’s Kingpins and Cutouts believe they are untouchable.

However these Kingpins and Cutouts do not understand the power of the Internet, the World Populism it is producing and the fact that soon they will become a liability to the NWO Globalist Agenda and will no longer be needed. When this turning point is reached, much to their surprise, they will be sacrificed as the whole world is induced to gang up against them and eradicate them by numerous means.

Certainly the RKM Kingpins and Cutouts cannot survive if the whole world wakes up and comes after them no matter what the cost. They think this just can't happen. They do not understand the power of the Worldwide Internet, the New Gutenberg Press, which is breeding a new and powerful Populism all over the World that soon cannot be contained.

The true NWO Globalist Agenda is actually unknown to the Top RKM Chieftains and their lieutenants the RKM Kingpins and Cutouts and if they were told, they would not be able to believe it anyway because they are far too criminally insane.

At the final point where a NWO “good guy” impersonator is empowered to take over (if it ever reaches that point), he will sacrifice all of his top RKM Chieftains and will pretend he is the Savior of the World, when his intention will be to unleash a final Hellstorm destroying all of mankind and the whole world, probably by instigating a final nuclear WW3 that will make the earth uninhabitable by any humans.

Here's what we know for certain about the secret Agenda of the RKM. Their plan is to dominate and decimate the whole World step by step by creating successive Hellstorms, using each one to set up the conditions that will foster the next one.

What exactly is a Hellstorm?

A Hellstorm is what the RKM's occult invocation and raising of what they believe to be the “fires and destruction of Hell” on Planet Earth in order to consume as many humans as possible, as a large mass-blood-sacrifice to Satan (Lucifer). The top Babylonian Talmudic leaders of the RKM believe that if they do this they will be greatly anointed to run the whole World, own all its riches, and have the controls of all power and status. They also believe they must engage in periodic Satanic Child-sacrifice Rituals to maintain their special power, wealth, positions and status or otherwise they will be stripped of it all.

They also believe that if they stop this process of raising Hell on Earth by creating successive Hellstorms, they will quickly lose their power and will never be allowed to become “Eternal Gods of Mount Olympus.” Hows that for a criminally insane delusion, one that has killed hundreds of millions of innocent humans with incredibly painful, needless pre-engineered deaths?

Here is a a listing of the actual Hellstorms this criminally insane notably anti-human (probably non-human too) Satanic Cult the RKM has produced that we can prove beyond any shadow of a doubt:

1. They did it in Armenia and raped, tortured and mass-murdered about 1 and 1/2 million innocents Christian Armenians.

2. They did it in Russia in 1917 raping, torturing and mass-murdering about 22 millions innocent Orthodox Christians the first two years and then proceed to enslave and murder about another 80 million we know of.

3. They did it in Germany at the end of WW2 and raped, tortured and mass-murdered millions of innocent German Civilians and surrendered German Army troops, and violated numerous international treaties. We now know for certain that General Eisenhower (his real Judiac name), Churchill another crypto Judaic and Stalin (also Judaic) created some of the World greatest crimes against humanity in how they handled the last two years of WW2 and starved so many innocent Germans. This of course has all been covered up until now and you will learn about it in the excellent video below called Hellstorm. Their reason, a deep malignant Judaic Triablism based hatred of German Goyim they believed were essentially Christian.

4. They did it in Korea after WW2.

5. They did it in Vietnam, Laos and Cambodia after the Korean war.

6. They did it in the first Iraq war.

7. They did it in the second Iraq war.

8. They did it in the war in Afghanistan which was staged to get the massive opium crop and use deployed American troops to guard it so it could be transported into America using frequent Global Hawk remote control operated pilot-less flights.

9. They have been trying desperately to do it again with a pre-engineered stage war against Syria and Iran, but so far President Obama has resisted. This should be an omen for the top RKM Chieftains of the major lane-change that is coming with the whole World turning against them. More on that at the end of this article.

10. Their fall back and final plan is to do it again by bringing a total Hellstorm to America like they did to East Germany after WW2, after using their attack on America of 9-11-10 and their Samson Option Nuclear Blackmail to transform America into GAZA II, the World's largest open-air prison camp with all Americans, even their Judiac supporters included.

The RKM's usual means of pre-engineering Hellstorms in nations of the World is to foment Color Revolutions; bust out the economies; deploy various forms of induced destabilizations covert ops; place incredibly abusive fascist dictator puppets in power that breed counter revolutions, racial strife, and police brutality; to stage Gladio-style False-flag attacks in order to produce synthetic terrorism which can then be used to convince the populace it is real terrorism and not RKM Organized Crime.

All these RKM induced problems are used to justify the acquisition of more and more RKM power supposedly to be used to solve these problems when instead they are used to add gasoline on them.

As more and more of the World learns this truth about this secret, hidden RKM Agenda to turn the whole World into a Hellstorm nation by nation, the whole World will organize against the RKM and eventually attack it from all directions.

As more and more Judaics are waking up to how they have been mind-kontrolled, conned and used by the RKM, an interesting new conflict is arising within the Judaic communities all over the World.

It has been a breeze for the RKM Chieftains to mind-kontrol and con mainstream Judaics. Why? Because the RKM Chieftains control all the “money” and can print or issue as much as they need. These Chieftains have acquired control over the University System, the Major Mass Media, the American Medical System, the Legal Profession, the Judiciary and most large International Corporations. This places them in the driver’s seat and they can pass out these rewards to “fellow Judaics” like giving candy to a baby.

This makes many Judaics very desirous of all the power, money and status that these RKM Chieftains have and motivates them to serve these Chieftains and do everythin possible to become like them and gain their favors. The result? Mainstream Judaics who have thus attained high levels of success in the RKM System, stick together and are completely committed to their malignant Judaic Tribalism which unfortunately includes believing the sick, twisted paranoid group Judaic racial delusion based on imagined racial persecution that all Goyim are their enemies and want to eradicate them.

This extreme racial delusion produces fear and hatred of Goyim and justifies pre-emptive aggression toward them including staged wars, gladio-style False-flag attacks like 9-11-01, and engineered economic collapse, plagues and diseases. Over time the abuse toward Goyim that this Judaic group racial paranoia produces become a “self-fulfilling prophecy” and Goyim begin to see that these malignant Judaic Tribalists are trying to asset strip them, destroy their society and mass-murder them.

Obviously at some point the Goyim become so provoked they will act against these malignant Judaic Tribalists. This will soon likely occur because the whole World is now ganging up to attack the criminal Apartheid State of Israel for all its staged wars, mass-murder, war crimes, theft of Palestinian Lands, Apartheid against Palestinians and for attacking America with nukes on 9-11-01. Believe you me as the World finally connects all these dots, payback against Israel and these RKM Chieftains is going to be a real bitch, far more extreme than most could imagine.

Many Judaics who now suffer from a group psychological disorder, best called RKM induced malignant Judaic Tribalism are waking up. They are beginning to realize that they have been mind-kontrolled to carry incorrect beliefs that have induced them to have a serious group mental disorder which makes them dangerous to humanity and the whole World.

This notable and dangerous group mental disorder is best characterized by a notable paranoid racial persecution delusion that has been and is now being used to justify hatred, abuse, asset stripping, oppression, tyranny, massive land-theft and mass-murder of what they define as “Goyim.”

This is what they have been doing to Palestinians and by creating an Israeli Apartheid against Palestinians and by attacking America on 9-11-01, they have actually sealed their own fate which will result in their eradication unless they immediately wake up and reject all these incorrect beliefs instilled by their RKM Overlords who have suckered them beyond belief to do their dirty work in exchange for money, high positions, status and power.

Can you handle the real truth about the end of WW2 and why General Patton's assassination was ordered by President Truman. In the Nazi forced labor camps about 290,000 died from cholera and starvation, induced by the Allies by needlessly extending the war and bombing the supply lines, official red Cross figure show about 200,000 of these were Judaics. Compare this to the now estimated 55 million innocent civilians mass-murdered during WW2 and now described as merely "collateral damage" from the Allied Air War.

This Hellstorm was created and run by the RKM secret Crypto Judaics Churchill, FDR and Stalin. General George Patton knew the truth and was going to tell all America about it upon his return since he couldn't get any where trying to convince the American High Military Command who were all run by the RKM. By the way, when was the last time you ever heard any Malignant Judaic Tribalists ever mention his real Holocaust, the Armenian Slaughter or the Babylonian Talmudism behind the Bolshevik slaughter in Russia in 1917? The answer is NEVER because if they ever studied the facts it would forever break the spell of their RKM Mind-kontrol.

Note: Popular Rense.com Author and renown Artist Jim Kirwan must be credited with some of the important content of this article. He has been on the forefront of many of the discoveries about the Rothschild World Zionists which I refer to as the Rothschild Khazarian Mafia (RKM). The actual term Khazarian Mafia was coined by Veterans Today Financial Editor and "Short End of the Stick" talk show host Mike Harris, and in my opinion is by far the very best description of this criminally insane inhuman group of enemies of the whole World and all of mankind.

How tragic for the World that these powerful individuals that create money from nothing and charge pernicious usury to folks to use what should be their own money have been able to operate in abject secrecy so long. And how dehumanizing for the RKM to secretly refer to humans as their Goyim, that is their cattle to use, abuse, asset strip and slaughter as human sacrifice to their evil god Lucifer (Satan, also known as Baal or Moloch).

The following performance is by the artist Joe Bonamassa, now recognized world's top Guitarist and the hardest working, best performing musician on tour anywhere in the world right now.
