## THE COVERT WAR

*A covert war has been waged against the people of this country and other countries for over 50 years. Some casualties of that war are people whose deaths are already suspect, but no one can quite put their finger on the real motive. John F. Kennedy, Bobby Kennedy, Martin Luther King. JFK by 4 marksmen, of which 2-3 actually got off shots, one of whom was a well-known French contract assassin headquartered in Madrid. (Note: these assassins would most likely include the 2 mafia hit-men behind the 'grassy' knoll and the 'tramps' who were assigned to pick up the spent shells; the CIA patsy Oswald in the Book Depository and another hit-man who shot from a building across from the book depository. Others allege that William Greer -- the secret service limo driver -- got off a quick shot with a handgun, which would make him the 5th gunman if we are to believe some scenarios. This would explain statements made by Dr. Charles Crenshaw, one of the original doctors who worked on JFK's body shortly after his death. On the April 2, 1992, segment of Geraldo Rivera's "NOW IT CAN BE TOLD", Crenshaw claimed that he saw Kennedy's head-wound and stated that Oswald could not have killed Kennedy as he was behind the President, whereas the fatal bullet wound came from the FRONT.*

*Crenshaw claimed that the bullet entered from the front and exited from the rear of his skull, leaving a large gaping wound 9-10 centimeters across. Although Texas law required an immediate autopsy in Dallas, the site of the crime, Crenshaw insisted that a swarm of Secret Service agents entered the hospital and demanded that the autopsy be performed out of state. It is interesting that the Secret Service of the U.S. and other countries are reportedly patched directly into the highest levels of Scottish Rite Masonry, or the Bavarian Illuminati. Dr, Crenshaw stated that several people he had known who had witnessed the President's wounds had died shortly afterwards under strange circumstances. He believed that the 'official' photos taken at Bethesda Naval hospital showing no ear exit wound were tampered with and that the whole affair was covered up. Branton). An assist on the job goes to an Oswald 'double' supplied by the KGB section headed in 1963 by a very high-ranking recent leader of the USSR. The 'double' killed Officer Tippit in plain view for no reason other than to implicate Oswald. JFK, by a security guard [Thane] & Sirhan, Sirhan [who was conditioned to kill and to forget both*

*the kill and his control]. King, by someone unknown to us, but my source worked with 'Raul' [also used over 10 other code names] at CIA from 1967-83. 'Raul's' expertise for [the] CIA was the perfect "set-up" of innocent people in crimes. The MLK hit was the first and only time he did a set up in a political assassination. The whole Warren Commission seems to have been fixed, beginning with Warren and 3 other members of the Commission, all of whom my informant identified as agents of the Group. Every witness who could shed light on the Kennedy murders has been systematically hunted down and murdered. [I seek information from those who were in it. I believe I already know one who was. You might know something about it if you recognize the code name BLACKHAWK. If so, think about it.] Other victims of assassination by the Group whose names will be recognized include Franklin D. Roosevelt, Marilyn Monroe, Mahatma Gandhi, Anwar Sadat & Olof Palme. There have been many thousands more.*

## **THE ORIGIN OF THE GROUP**

*The precursor of the subversive Group seems to have been formed in the first quarter of the century, we think in connection with the formation of the Federal Reserve. At first it appears to have been little more than a group of the world's leading investment and merchant bankers seeking world-wide control of money supply. But by about 1932 it developed into a scheme for a New World Order, in which there would be total control of human behavior by a world government. They sponsored Hitler through two of their most important German members: Paul von Hindenburg and Franz von Papen. By the 1930s the key players seem to have included Hess [who flew to England in 1941 ONLY because he was 'blown'] and then Bormann in the Nazi government; Schruder and the ENTIRE Reichsbank sr. officer list in German banking; most of the major merchant banking houses in London, some of the key banks in NY, Sweden, France, Switzerland & Netherlands, along with the Bank for Int'l Settlements [infamous for its crediting the Nazis with ownership of the looted Austrian, Czech, Belgian and Netherlands gold]; the monarchs of England, Italy, Spain, Portugal, Austria [the Archduke], Hungary [Regent], & Japan; and some of the key men in the Fall of France, like Viscount Gort and Admiral Forbes; and two American generals who none of you would believe. (I would suspect that one of these 'generals' might have been Dwight D. Eisenhower -- whose campaign was sponsored by the Rockefellers and through whose administration many of the national socialist policies of the Rockefellers were implemented within the U.S. Intelligence Agencies -- although this is only my guess. Due to Eisenhower's part in the war against the Nazi's and his warning to Americans about the dangers of the Military-Industrial Complex, it may be that Eisenhower was an ethical man, yet had opened the door for access to certain levels of government by Rockefeller interests, aware of or unaware of the Rockefeller ties to the Nazi's AND the Military-Industrial complex. He may have merely been a 'dupe' or a 'pawn', like so many other naive members of the U.S. Government. -*

## ***CURRENT ORGANIZATION & GOALS FOR THE NEW WORLD ORDER***

*Today the Group consists of international bankers [the same core of NY, London, Swiss and German merchant bankers, but now expanded to the largest banks in many other parts of the world, notably Japan and in the Middle East], kings, at least one queen, princes, industrialists [among the world's top 100 CEOs +/- Chairmen... a heavy concentration in autos], Army, Navy, Air Force, & Marine Corps generals, State department section chiefs, Mafia chiefs, drug lords, elected officials, judges at all levels, many media owners, a host of leading lawyers, and many others. The leadership of the Group comes from its EUROPEAN parent organization, consisting of many of Europe's key bankers, industrialists, & politicians. They want to impose on this planet a centralized world oligarchy -- not a democracy -- akin to a FASCIST state in which there will be genocide on a massive scale, total state control over all aspects of human behavior and communication and control of the human mind and spirit through manipulation of the world's major religions, genetic engineering, drugs, tightly-controlled media and by other means. There will be death camps in which 'undesirable' races, the old and infirm, and those without "social utility" will be exterminated without a trace. The institution of state-sanctioned slavery will be re-established. There will no longer be families as we know the institution. There will be a MASTER RACE in charge of all this power -- the ARYAN RACE, augmented by advanced genetics, and bred for superior characteristics. Their target date is the coming second millennium, the year 2000. If you want details of their plan, with an approximate day-to-day blueprint of life under the new regime, read Brave New World. Huxley apparently knew about the plan from his brother.*
