

THE OMEGA FILES

THE GROUP'S OPERATIONS SINCE W.W.II

When their man, Hitler, went out of control they drugged him into oblivion and implemented the death camp 'model' under Bormann. Early in W.W.II there was a conference hosted by King George in the English countryside at which representatives from all walks of life from all over agreed on a plan to undermine and overthrow the US and Russian states. Representatives of all the monarchies mentioned above attended. At the end of W.W.II, GEN. GEHLEN ran two operations in Spring, 1945 for them: the assassination of FDR using a chemical that caused the cerebral hemorrhage and immediate death and the [attempted] elimination of Hitler with a bullet from Bormann's gun [without Hitler's 'consent']. FDR's offense was that he refused to approve their COVER AGENCY, the CIA. [Not the agent level generally. The liaison and intermediate levels with some key men at the top levels, particularly in Covert Ops.] GEHLEN ran the American, AS WELL AS THE European 'security' operations until his death in '79. Their 'assassination' techniques for those who get in the way begin with character assassination. When that fails, they train and finance real assassins who generally do not use bullets these days. The favored methods are carefully tailored to the victims' medical files to make death look 'natural' through barely-detectable chemicals that artificially cause heart attacks, cerebral hemorrhages, Alzheimer disease, leukemia, & brain tumors.

THE GROUP'S FUNDING; CONGRESSIONAL PAYOFF

During W.W.II the Group arranged through the GERMAN war machine and von Ribbentrop's 'diplomacy' to loot the treasuries of Austria, Belgium, Czechoslovakia, The Netherlands, other states and the gold and jewels once owned by murdered Jews. Gehlen oversaw the 'Odesa' operation in about 1942-45 in which most of the bullion, stolen art, and the Jews' gold was shipped by various means to ARGENTINA. The missing gold alone, in PRE-1939 DOLLARS, was worth \$600 million. [Go look up what pre-'39 \$ are worth. Multiply it out.] Since then the Group has used the bullion cache as credit for its

operations, including *ECONOMIC WARFARE* against the US. It remained in ARGENTINA at least until both of the Per_ns were in power. Bormann was one of the Nazis who controlled access to it in Argentina, but I suspect the former Argentine WWII Nazi espionage chief, Johannes Siegfried Becker, played a big role. [Bullion site switched after Per_ns. I suspect to Venezuela, based on a meeting between my informant and Becker in Venezuela in the late 1970s.] In addition, a good part of the funding over the years has come from large-scale diversions of funds from all major treasuries in the western world. I believe the principal method involves diverting cash credits for funds coming into the government through the Group's control of central banks like the Federal Reserve & apparent subversion of agency accounting chiefs. My informant has also identified the names of several of the top men in IRS and Treasury FMS. The 'skim' appears to be about .5% of all incoming funds. My informant states that a significant portion of the diverted funds go to campaign funds for members of Congress as 'protection' or the like. So there is no one in the Government who has much interest in looking into this diversion. Even those in Congress who are 'clean' are typically co-opted by promises of more power or are just squelched.

DESTRUCTION OF THE AMERICAN SOCIETY

This has been a carefully-planned fifty-year war. The late 40s and 50s were spent putting their agents in place and rebuilding their main clients' European industrial base -- with American money. The initial steps in the American overthrow occurred in the 1960's through several of the Group's most critical agents -- Earl Warren and LBJ, with assists from J. Edgar Hoover and others. [Chief Justice Warren, unlike LBJ, was an unwilling agent. The Group forced Warren to participate in the JFK cover-up and the Group's plan to alter the social structure of US because they "had something on him."] One of the first things the Group did to protect its own covert operation was one of Gen. Gehlen's specialties in WWII Nazi intelligence -- divert attention to the "Red menace." There is also a pattern of identifications by my informant of petitioners and/or their chief lawyers in a series of Supreme Court cases in the 1950s and 1960s that made it impossible for the Fed or state governments to conduct thorough investigations into subversive organizations.

While I applaud the civil liberties aspects, I suspect that this was only 'window dressing' for the true purpose. What the Group wanted by the time of the "incubation period" [1995-2000] was a society that was uneducated, amoral, uncommitted to democratic institutions, living in fear, with a sudden and very drastic reduction in spendable income simultaneous with societal chaos. The Group thought that this would produce the environment for 'rejection' of the democratic form of government that they seek by 2000. In the 1960s the Group's agents started the process of eliminating religious and moral ideals from American life, particularly in the schools [& in that regard go back & read the dissents in the Supreme Court cases, accurately stating that the Founding Fathers would turn over in their graves to learn that what they wrote in Philadelphia in the 1780s outlaws prayer in schools], removed as many impediments to criminality as they could

get away with, dramatically increased media [TV] portrayal of violence and joblessness [role models have no jobs, bad guys live in big houses, etc.]; begin your reading with 'The Early Window', by Liebert & Sprafkin], reduced the standards of education and early training for rational thought and fostered every possible dislocation in family structure they could engineer, beginning with LBJ's welfare policies...

THE COMING CHAOS

The plan is to unleash elemental forces of chaos that transcend government philosophy. The primitive mandate for political/social structure seems to be protection of the person from crime and disease, protection of property, a system of justice to enforce those protections, and organization for economic gain. All these refinements we've developed - democracy, fascism, communism, monarchy - come after the primitive mandates have been met. The theory is that if you remove enough of those basic protections the government will fall because it is not performing the more important, elementary functions. This subject is an enormous one which I could not begin to describe in such a short piece as this. The reader will have to fill in the blanks left by the following examples:

DISEASE: *The Group developed the AIDS virus principally at Albert Ludwigs University in Freiburg im Brisgau. It seems that Dr. Strecker and the London Times [5/11/87] were correct in suspecting that the epidemic was man-made and connected with the [World Health Organization's smallpox eradication program in Africa](#) [My source identified the names of a senior member of the Global Commission in 1979, who handled at least Ethiopia and Somalia, and W.H.O. representatives for Central Africa, where the AIDS virus is taking the largest toll, and for Western Africa] and the 1978-79 hepatitis B vaccine experiments among homosexuals in the U.S. [My source identified the name of one member of the NY City team. I could not obtain the names of the team members for S.F.] They chose homosexuals because they believed that few would care what happened to them and hoped the disease would spread throughout the country before anyone realized that it would kill ANYONE -- not just gays. During the "incubation period" [1995-2000] the Group plans to introduce new diseases that will be "far more aggressive, far more vicious" than AIDS. (Apparently, we must assume that if they release a disease, they will already have developed an antidote in case one of 'them' gets infected - Branton)*

CRIME AND DRUGS: *...Crime and illegal drugs go hand-in-hand. Drug traffic has been fostered under the covert aegis of the Group's massive apparatus within the CIA since at least Vietnam. My informant states that "Mr. Halloran" as a "contract" CIA operative in Saigon was running hard drugs from Laos and Cambodia to Bien Hoa to the US aboard military aircraft for use on American streets. It went on for years and is probably still going on, but now from other points of origin. There are alliances between the Group's agents in CIA and the military and drug lords in South America. My*

informant identified the names of most DEA agents-in-charge of major US offices & many US Coast Guard and Navy officers ON drug interdiction duty.

ECONOMIC DEPRESSION: The plan is for there to be a disastrous [but short-lived] depression, precipitated by a stock crash. The Group's members in the financial community certainly have the muscle to do it. My informant has identified [current=1994] either the presidents or chairmen of five of the six largest banks in NYC, many of the key officials in the NY Federal Reserve, most of the major London merchant banks, four of the largest GERMAN banks, and five of the 11 largest US stock brokerage firms.

CIVIL/RACE WAR; THE MILITARY; THE ASSASSINATION LIST: The Group's plan is to covertly foster and finance a civil war on race lines through their agents in black and Hispanic ghettos in major cities. Once they are successful in gun control legislation the Group will ARM the minority insurgents with attack weapons to be used against essentially weapon-less minority and non-minority individuals. The local police departments will be out-gunned. The military will be called in, but will be unable to control the situation due to an artificial "breakdown in the chain of command." [The percentage of senior US Army, Navy and Air Force general officers -- brigadier general through general, rear admiral through admiral -- identified by my informant has been astoundingly high. The rate of identification among generals and admirals in the military is equaled in only two other organizations: the State Department and the Council on Foreign Relations.] In the midst of the societal chaos, after the war begins, the Group will conduct systematic assassinations of key American civilian and military leaders who have not supported the Group's policies or its key agents. That list is referred to by my main informant and by the woman I first interviewed in 1983-84 as "all the king's men." The civil war fostered covertly by the Group will frighten "middle America" into adoption of the Group's government. After the year 2000 the civil war will be used by the Group as the excuse for genocide against the Black and Hispanic races. The genocide of the black races will be global. There are also large-scale genocide plans for Hispanics and Chinese. Literally hundreds of smaller races also targeted. This will take place over a much longer period than [the] German experiment in WWII. (Remember that the 'root' of the 'New World Order' agenda can be traced back to the secret occultic societies connected to Bavaria, Germany -- the Illuminati, Thule, Nazis, Vril, Rosicrucian, Black Gnostics, Skull & Bones, Cult of the Serpent, Templars, Babylon Mystery Cult, O.T.O., Golden Dawn, Jesuits, and all of the many lesser-known inter-locking secret societies which grew out of the occult-military core of the early Roman Empire and the later 'Holy Roman Empire' [HO.R.E.] -- a core that had its center of power not only in Rome but also in Germany. - Branton)
