

THE OMEGA FILES

GERMAN FLYING DISCS

Hitler's advanced technology included intercontinental ballistic missiles, vertical takeoff aircraft, jet engines, cruise missiles, sound cannons, and many other advanced items. The Allies captured plans for what became the Boeing 747 Jumbo jet. Among the most secret items captured were plans for flying disks, that were at first called "Krautmeteors." Based on the evidence, they were built as early as around 1933 and went into mass production in 1940. Scientists involved in these projects were Bellonzo, Schriever, Miethe and Victor Schaubberger. Schaubberger developed the "flying hat" type disc that was later seen over the United States. The final version was the Bellonzo-Schriever-Miethe Diskus, as large as 135 feet and some up to 225 feet in diameter. They traveled over 2,000 km/hr and were planned to go over 4,000 km/hr. In 1945 they could reach a speed of 1,300 mph and an altitude of 40,000 feet in less than three minutes. The Germans developed the Delta wing craft, and were working on stealth technology, etc. Many pilots saw the strange craft over Germany. However, as soon as a craft was built, Hitler ordered it disassembled and shipped somewhere -- probably Antarctica. None of the craft were captured by the Allies, although some of the scientists were captured and then mostly disappeared, but can somewhat be traced to Bell Textron and to places such as Area 51, which, surprise!, is infamous for its 'UFO' sightings. Here are some examples of news items during WW II concerning Germany's UFOs, from the "New York Times:" "NEW YORK TIMES," December 14, 1944: "Floating Mystery Ball Is New German Weapon. SUPREME HEADQUARTERS, Allied Expeditionary Force, Dec. 13 -- A new German weapon has made its appearance on the western air front, it was disclosed today. "Airmen of the American Air Force report that they are encountering silver colored spheres in the air over German territory. The spheres are encountered either singly or in clusters. Sometimes they are semi-translucent." ...and, "SUPREME HEADQUARTERS Dec. 13 [Reuters] -- The Germans have produced a 'secret' weapon in keeping with the Christmas season. "The new device, apparently an air defense weapon, resembles the huge glass balls that adorn Christmas trees.

There was no information available as to what holds them up like stars in the sky, what is in them or what their purpose is supposed to be." (Note: In regards to the above, Bulgarian Physicist Vladimir Terziski wrote the following about the Nazi mystery

'spheres' and aerial disc projects: "...According to Renato Vesco... Germany was sharing a great deal of the advances in weaponry with their allies the ITALIANS during the war. At the Fiat experimental facility at lake La Garda, a facility that fittingly bore the name of air martial Hermann Goering, the Italians were experimenting with numerous advanced weapons, rockets and airplanes, created in Germany. In a similar fashion, the Germans kept a close contact with the Japanese military establishment and were supplying it with many advanced weapons. I have discovered for example a photo of a copy of the manned version of the V-1 -- the Reichenberg -- produced in Japan by Mitsubishi. The best fighter in the world, the push-pull twin propeller Domier-335 was duplicated at the Kawashima works. Or a photo of Japanese high ranking Imperial navy officers inspecting the latest German radar station. A Japanese friend of mine in Los Angeles related to me the story of his friend's father, who worked as technician in an aircraft research bureau in Japan during the war. In July of 1945, two and a half months after the war ended in Germany, a huge German transport submarine brought to Japan the latest of German inventions -- two spherical wingless flying devices. The Japanese R&D team put the machines together, following the German instructions, and... there was something very bizarre and other-earthly standing in front of them -- a ball shaped flying device without wings or propellers, that nobody knew how it flied. The fuel was added, the start button of this unmanned machine was pressed and it disappeared with a roar and flames without [into] the sky. The team never saw it again. The engineers were so frightened by the unexpected might of the machine, that they promptly dynamited the second prototype and choose to forget the whole incident." - Branton)

FALKLAND ISLANDS WAR

The Falkland Islands War had more to do with NAZI'S [Antarctica] than with Argentina... The Germans, FROM THEIR ANTARCTIC BASE, began to INFILTRATE into Argentina, Chile, etc., and bought large tracts of land and swept up corporations. They also invested in corporations in Germany and elsewhere, with plans to make a comeback. They used the German treasury, captured treasure from other nations, and counterfeit American currency printed on real U.S. currency printing plates given to the Russians and captured by the Germans. (Note: It appears as if the German elite had begun to attempt to accomplish via stealth what they failed to do by force in World Wars I and II -- by infiltrating North and South America and engaging in economic warfare from their extensive underground 'black budget' empire below Antarctica and also South and North America, with the help of their allies in the CIA/NSA. We are not talking Billions of dollars here, but TRILLIONS of dollars which have been siphoned from the U.S. economy via numerous ingenious methods, and used to 'feed' the Bavarian-backed underground network which stretches throughout North America and which are inhabited by European, American and Antarctic National Socialists. The wealth that has been siphoned from the American economy could otherwise have been used to prime the economy to new heights of prosperity, and that prosperity would have in turn overflowed into the other nations of the world. Apparently the Nazis realized this, and

also realized that the 'Banksters' who had backed them during World War II had the REAL power. They understood that ECONOMIC power ultimately dictated political power, even in a supposedly 'democratic' country where they could 'buy off' political power from those who were more interested in immediate physical comforts and economic status rather than the long-term fate of their own country. The 'Nazis' could not have done what they have done without the help of the 'traitors' within. The same could be said for the Greys also... not to mention the CIA/Nazi/Grey collaboration itself existent within various underground bases: Neu Schwabia, Antarctica; Pine Gap, Australia; Alsace-Lorraine Mts., Germany; Montauk, Long Island; the Denver International Airport; Dulce, New Mexico; Area 51, Nevada, etc. - Branton)

Some plates were stolen by Assistant Secretary of the U.S. Treasury Harry Dexter White [real name Weiss] under Henry Morgenthau and sent to the Soviets for use in occupied Germany. He also arranged for the mass theft of tons of our special money-paper. When J. Edgar Hoover went to President Truman with all the evidence that the Assistant Secretary of the Treasury was a Communist spy and thief, TRUMAN of course removed Weiss [White] from his job -- and PROMOTED HIM to head of the International Monetary Fund. I kid you not, look it up. (This tells you whose side Truman was really on. - Branton) The story has a rather common ending -- when a controversy developed in the press concerning this incident, Weiss became a "suicide."
