ADMIRAL BYRD AND OPERATION HIGH-JUMP ...

In 1947, Admiral Richard E. Byrd led 4,000 military troops from the U.S., Britain and Australia in an invasion of Antarctica [Operation Highjump and follow-up], but encountered heavy resistance from Nazi "flying saucers" and had to call off the invasion. A Rear-Admiral who was in that invasion has retired in Texas, and said he was shocked when he read the "Fire From The Sky" material. He knew there were a lot of aircraft and rocket shoot-downs but did not realize the situation was so bad. (Note: Here the writer is referring to accounts given in other writings, suggesting that AS the Soviet Union was falling the Bolsheviks who were in the process of being ousted from Russia took refuge in the CIA and Pentagon, from where they attempted to provoke a nuclear war with Russia which they would ride-out in their massive underground bunkers. In response, the Tzarist Russian's sent a strong message to the Bolshevik 'elite' in the Pentagon and CIA that this would not be allowed -- by shooting down satellites and aircraft in retaliation. The idea of a KGB presence in the CIA might seem to conflict with the 'Nazi' presence there, yet NOT if you consider the fact that the [Rockefeller's](#) -- according to Economics expert and advisor Antony Sutton and others -- had financially backed BOTH the Bolsheviks AND the Nazis in their military efforts as two Hegallian or Machievellian 'clubs' to 'beat' the planet into submission to a New World Order.

This might explain the early treaty between Hitler and Stalin, the close alliances that both Karl Marx and Adolph Hitler had with the [Jesuits](#), and the fact that the Bolshevik revolution was actually planned in Bavaria with German Intelligence's plan to send their agent Lenin from Germany to Russia to stir up the revolution. We must remember that National Socialism [Nazism] IS 'Socialism' none-the-less. In this context the polarizing 'left-wing' - 'right-wing' political theory turns out to be FALSE. If this theory is taken to its logical conclusion then an extreme left-wing system would tend to liberalism and anarchy while an extreme right-wing system would tend to conservatism and totalitarianism. You could say that both left and right wing philosophies compliment each other in the sense that Totalitarianism cannot exist without the threat of anarchy to justify it. For instance in order to JUSTIFY a totalitarian takeover of the United States or the World the UN/NWO 'elite' would AND DO support ANARCHY in order to create for instance a national emergency and in so doing justify the implementation of certain

executive orders and martial law. The Bolshevik 'Socialists' certainly were NOT anarchists but totalitarians just like the Nazi or National 'Socialists'. In reality TRUE Communism would be control of the country by a UNION of workers, with power equally distributed among all workers. Vladimir Lenin felt that the 'workers' were not worthy nor capable of running the government in a collective sense, and that a small group who were 'trained' in the precepts of 'Communism' should run the government and the Revolution instead. So in essence 'Communism' as it exists in Asia is NOT Communism but dictatorship. If anything, democracy would be closer to TRUE Communism than the FALSE Communism of Asia, with the PEOPLE having control through the electoral process. But of course that has been subverted with the rise of the 'Executive' Alien-Military-Industrial government within the United States, which is controlled by a alien-corporate ELITE rather than being equally control among the common citizens. Now are you getting the picture?

The so-called ELITE gain their power through MISREPRESENTATION and DECEPTION! They intentionally cloud the true nature of reality, lest the masses wake up and see how they are being exploited, and take back control. The 'fraternal elite' were fully aware of the fact that their brand of 'Communism' was not Communism or Socialism at all, however they used the promise of 'Communism' in order to LIE to and DECEIVE the targeted countries into accepting their 'Communist Dictatorship' -- which would seem to be a contradiction in terms, like 'Military Intelligence'. But for the sake of the Machiavellian 'game' that the Rockefellers and others were running, the 'illusion' of polarity between the LEFT and the RIGHT had to be maintained. And when the Bolsheviks began to lose power, the Rockefellers did exactly what they did with the Nazis, they took their 'children' back under their wing and gave them refuge within their Military-Industrial Machine. So in essence the most powerful government on earth is a corporate empire, and this would confirm the Biblical proverb that "the love of money is the root of all evil". When the Greek Orthodox and Tsarist factions started to regain ground among the Russian Socialists during WWII, Roman fascists apparently decided that they would put pressure on the Nazi's to attack their 'Protestant' Greek Orthodox enemies in Yugoslavia... the Serbians. Since the Roman-backed Croatian-Catholic-Nazi USTACHI killer squads were determined to carry out genocide against the Russian-backed Serbian Greek Orthodox, one can easily see how the Balkan states became the tinderbox for both the first and second world wars, and in both cases Germany was at the center. Remember that the German Kaiser Wilhelm ['Kaiser' literally means 'Caesar' in German, a carry over from the Roman and Unholy Roman Empire's] as well as Adolph Hitler himself was determined to bring back the Roman Empire, which would obviously have been Rome's goal as well. This is not surprising when we consider that the blasphemously named 'Holy' Roman Empire -- which rose from the decay of the earlier fallen Roman Empire -- had its headquarters in Germany.

Getting back to the conflict between the Tsarist and Bolshevik Russians... In addition to attacks on American satellites, missiles or planes by 'Cosmospheres' manned by Tsarist or nationalist Russians, there is also evidence of attacks against the same by the 'Nazi' and 'Grey' space forces as well. These attacks have not come from only one source. One

more thought... the political struggle is, as suggested above, not so much between the right and left 'wings', especially the extremists -- at one extreme being slavery/tyranny and at the other extreme criminality/anarchy, BOTH of which are co-dependent threats to Liberty and Freedom. The actual struggle is between BALANCE and EXTREMISM. Anarchy would be symbolic of a horse roaming wild and useless with no restraints. Tyranny would be that same horse locked in a stall and never being able to see the light of day. A true democratic-republic would be symbolized by that horse being allowed to roam 'free' in a wide open pasture, however the pasture nevertheless has its fenced-in 'limits' that the horse could not pass. However in that the pasture provides plenty of freedom within its confines, the horse is satisfied. - Branton) The invasion of ANTARCTICA consisted of three battle groups from Norfolk, VA, on Dec. 2, 1946. They were led by Byrd's command ship, the ice-breaker "Northwind," and consisted of the catapult ship "Pine Island," the destroyer "Brownsen," the aircraft-carrier "Philippines Sea," the U.S. submarine "Sennet," two support vessels "Yankee" and "Merrick," and two tankers "Canisted" and "Capacan," the destroyer "Henderson" and a floatplane ship "Currituck." A British-Norwegian force and a Russian force, and I believe some Australian and Canadian forces were also involved. On March 5, 1947 the "El Mercurio" newspaper of Santiago, Chile, had a headline article "On Board the Mount Olympus on the High Seas" which quoted Byrd in an interview with Lee van Atta: "Adm. Byrd declared today that it was imperative for the United States to initiate immediate defense measures against hostile regions.

The admiral further stated that he didn't want to frighten anyone unduly but that it was a bitter reality that in case of a new war the continental United States would be attacked by flying objects which could fly from pole to pole at incredible speeds. [Earlier he had recommended defense bases AT the NORTH Pole.] Admiral Byrd repeated the above points of view, resulting from his personal knowledge gathered both at the north and south poles, before a news conference held for International News Service." When Byrd returned to the States, he was hospitalized and was not allowed to hold any more press conferences. In March 1955, he was placed in charge of Operation Deepfreeze which was part of the International Geophysical Year [1957-1958] exploration of the Antarctic. He died, some have suggested he was murdered, in 1957... UFO researchers are also aware of strange sightings of 'flying saucers' with swastikas or iron crosses on them, 'aliens' speaking German, etc. (Note: I have also heard of abductees who have been taken to underground bases with swastika emblems on the walls, or as in the case of abductee Alex Christopher, have seen Reptiloids and 'Nazis' working together aboard antigravity craft or within underground bases. See [The KSEO 4/26/96 Interview with Alex Christopher](#) So Barney Hill was not the ONLY one to describe the Nazi connection to UFO abductions. - Branton). An example is the American Reinhold Schmidt -- whose father was born in Germany -- who tells in his book "Incident At Kearney" [Nebraska] that he was taken on a 'flying saucer' on several occasions. He said the crew spoke German and acted like German soldiers. He said they took him to the Polar region [if someone were making up a story, why would they claim to be taken, of all places, to the pole?] (Note: Other sources have implied that an -- underground? -- 'Nazi' base exists somewhere in Nebraska. - Branton)

After returning he was subjected to persecution by the U.S. Government. His description [of the aerial discs] matched pictures captured from the Germans. (Note: For video's detailing an in-depth historical analysis of the Nazi cults, numerous details on the Nazi aerial disc projects, AS WELL AS actual photo-footage retrieved from classified sources of these aerial discs in operation, and also investigations into the "New Berlin" bases below Neu Schwabenland, Antarctica -- contact: Vladimir Terziski, President, - American Academy of Dissident Scientists, 10970 Ashton Ave. #310, Los Angeles, CA 90024, phone and fax: USA-[310]-473-9717. - Branton) In 1959, three large newspapers in CHILE reported front page articles about UFO encounters where the crew members appeared to be German soldiers. IN the 1960s there were reports in New York and NEW JERSEY of flying saucer 'aliens' who spoke German, or English with a German accent. In the Julius and Ethel Rosenberg atomic espionage trials, they spoke of "warships of space." Since they had access to top secret information, about what were they talking?
