Vermillion - Winter Park, FL Lines: 515 UFO NAZI OCTOBER SURPRISE (...more information from the Arcadia, California conference which featured Michael Younger, a member of the secret Navy Intelligence unit COM-12, which is attempting to maintain a rear-guard defense of the U.S. Constitution, Bill of Rights and Declaration of Independence. - Branton)

Many of these [Nazis] became agents of the Central intelligence Agency [CIA], NASA, also NSA, and in the FBI and other government agencies, so that the Nazis had more or less totally infiltrated the United States government in many of the most key and sensitive positions... They also were used in and given jobs within many of the corporations owned by the ROCKEFELLERS, including ATLANTIC RICHFIELD. It was through Atlantic Richfield that much of the mind control programs were implemented and used... One of the Nazi's [Doctor's], working with 300 elite scientists on these projects, developed a certain drug that could be used on children [inducing] severe pain and torture, where the child would normally black out, and become unconscious. The doctor could administer or inject the drug and it would keep the child from blacking out, and thus the doctor could then inflict greater pain, going far beyond the threshold of human endurance, which in turn would allow the mind of the child to become totally

wiped out, a total blank so that the child forgot identity, forgot personal identity, forgot even how to add or subtract or carry on conversation.

Mind-Controlled Children Used as Sex Slaves The child would need to be totally programmed from the beginning, starting from a blank consciousness. This technique of brainwashing or mind control allowed them to create whatever kind of person they wanted. They created many of these children to become sex slaves for their own kind, and those children then became used by others for as long as they were wanted, to be disposed of when the [person] was tired of them or finished with them. According to this [Michael Younger's] tape, the man responsible for distributing the children among various Nazis for sex use was named Larry King, not the Larry King of the television and talk-show host, but a younger man, a different person, who would barter in human souls and sell these children to men for sex purposes, for parties or for whatever, allowing them total ownership of the child as though the child were simply an object. The [Nazis] were free to destroy the child or to keep the child... Some of the children were used for satanic purposes according to the tape. They were used for satanic rituals which, in some of the rituals, included being skinned alive and having the heart pulled out of the child while the child is still living...

[This] Larry King would sell these children, making huge amounts of money for these various purposes, and if the children did not work out, they were simply disposed of. In many cases, if they were brought back to be disposed of, they would be sent to the Atlantic Richfield complex in New Jersey and the complex would work with the children to try to 'salvage' them. [re-enforce a state of mindless automatic obedience] Atlantic Richfield Complex Scene of Mass Child Murders & Burials If this did not work they were simply taken out into the back area and shot and put into a trench which had been dug by a bulldozer and the bulldozer would then move dirt over them... "The Milk Carton Kids and What the Nazis are Doing to them" (Joseph Mengele, Hitler's Evil Doctor is Alive and Well) Mike Younger discussed...what is termed the "Milk Carton Kids," the disappearing children of this nation whose faces appear on milk cartons... many of these children have been abducted by Nazis and [the tape] speaks in particular of a program...which is directed toward mind control. Joseph Mengele, the Nazi doctor that worked most closely with Adolf Hitler, was not yet dead as reports have indicated... Dr. Mengele was still operating a mind control center in Florida, which specialized in manipulating the minds of children. The idea of dealing with children fascinated the Nazis because their minds were already easily controlled and easier to alter than were adults. Plus, they had the ability to control them with greater ease because of size, and also they had the ability to use a mind-controlled child according to the way they wished. Mike Younger, speaking of this, told of how he and his lawyer had infiltrated the Nazi groups and had gone to the New Jersey Atlantic Richfield [ARCO] complex to a meeting of Nazis and throughout the day they kept hearing intermittent shots. (Note: The Brookhaven National Laboratories which assisted in the Montauk Projects is also located in New Jersey, and there is also a strong neo-Nazi or white-supremacist political movement active in this area as well.

In addition to this, the Standard-Exxon Oil Company which during WWII established a merger with the Nazi Company I. G. Farben -- which utilized slave labor -- is also based in New Jersey. Not to mention the I.T.T. complex in New Jersey as well, which is owned and controlled largely by the German KRUPP family. Those Patriots who are native to that area should keep on the lookout for any leads on Nazi activity there and, once they have discovered signs of such activity they should cautiously investigate, document, and expose it for all to see. - Branton) They did not know what those shots were until they were taken to another place over-looking the site of the complex and they saw the children being taken out, forced to kneel down by the trench and shot in the back of the head with .22 pistols. After three or four would be shot, the bulldozer would move forward a few feet, covering them, and then the process would begin again. Each time a few would be shot and fall into the trench, and the bulldozer would move dirt over them. [Michael Younger], speaking to a group of approximately 200 or so people in Arcadia, explained all of this; the lawyer who had accompanied him became so frightened of the story and of the events that he decided himself not to talk in person, the next day when he was scheduled to speak [he did not], but instead to present a video tape. He was convinced that if he showed up there, he would be killed.

This man, being Jewish; the Jewish attorney decided that he would be killed if he showed up there and thus, left instead a video-tape describing this incident and the treatment of the children who had disappeared. The term "milk carton kids" was a derogative term used as a joke by these Nazis because they never returned and they thought this was a rather funny way of describing the kids. The fact that their pictures were put on milk cartons did not help the children, but the Nazis did believe it showed some kind of effort by the society, which had been lacking previously. They did not admire the fact that an effort was being made to locate the children, but they thought it was a joke to have their faces plastered on milk cartons, when they would never be seen again... During the presentation in Arcadia, a film was shown in which the United Nations armies were brought into a West African nation to bring 'peace'. They encountered several hundred civilians, and thus opened fire on them with machine guns and rifles. Vividly shown in the film was one lady carrying her child. The head of the child suddenly exploded as a .30 caliber machine gun bullet blew it open like it was a watermelon, and then another bullet struck the mother and she fell down. The masses, the several hundred women and children eventually were all slaughtered by the United Nations troops who had come to bring 'peace', and they joked and laughed about their job and how they had completed that and now must get on and find others.

The film itself had been brought back to be put on television to alert the masses but no station would allow it to be shown, and thus, the film was presented at this meeting and was made available for individuals to purchase, but such does not allow the masses to know what really occurs with these mercenary United Nations troops... There were several hundred people present. When someone asked: "Does George Bush know he's a target for assassination in March?" [the answer was...] "He does now! He knows that his Vice President is behind it..." (Note: One source has stated that George Bush was the former director of a 'secret government' group which wields even more power than the

CIA, that is the MJ-12 or PI-40 organization which is an extension of MAJI. When Bush left the position, Dan Quayle reportedly took over, in which case Quayle would have been at the time one of the most powerful individuals in the 'secret' government power structure, IF this source was accurate. There are incidentally reports that MJ-12 itself is currently fragmented between the pro-Grey advocates in MAJI/AQUARIUS agencies and the anti-Grey activists in the CABAL/COM12 agencies. - Branton) Mike Younger also indicated that there were further efforts on their part to prevent this plan from being carried out. The people whom he works with have been working to expose George Bush in his Iran/Contra connections and his dealings with his brother in illegal operations in Japan, in hopes that these things will eventually cause enough people to question him and not vote for him... there are quite a number of these (agents, like Michael Younger and others connected to COM-12 - Branton) working to try to bring intelligence agents over to the good side and trying to bring military leaders over to the good side, and that there are quite a few people within the intelligence and military groups who know what is going on, and who simply don't like it, and that [they] are preparing their own plans to counter this plan if it is indeed carried off... (Note: Apparently these campaigns were successful, as George Bush failed in his bid for re-election.

If he would have been re-elected, could it be that we would now be living in a fascist dictatorship? It should also be realized that George Bush is NOT the 'center' of the conspiracy, the NWO agenda would go on with or without him. He was actually at the time a "front man" for a force that is far more evil and more powerful than any one man alone. Neither am I implying that the nations of Germany, Austria nor Italy where the Bavarian-Roman secret societies have their roots are the ultimate 'enemy'. The enemy is the secret society power STRUCTURE itself, which controls the governments of these countries, and the means of counter-attack should be a BLATANT, FOCUSED AND UNRELENTING EXPOSURE of the deepest and darkest secrets, atrocities and 'war crimes' of these death merchants!!! - Branton)

Today, another opportunity has been presented and since these forces can no longer polarize the West against Russia, trigger a devastating nuclear war [at least not with Russia, unless it becomes a super-power once again], it has seized upon the present opportunity wherein economic depression and a growing polarizing in America against minorities, can create such dire conditions in America that the public will actually allow the President to call in UN troops to restore law and order... ---" Don Allen "- // Only | Tavistock + Esalen = "New Age" Internet: dona@bilver.uucp \X/ Amiga | Rothschild + Rockefeller = FED UUCP: .uunet!peora!bilver!vicstoy!dona | UN + Maitreya = "Twilight Zone" "A democracy cannot be both ignorant and free" - Thomas Jefferson An interesting confirmation of some of the above appears in Webster Griffin Tarpley and Anton Chaitkin book: GEORGE BUSH: THE UNAUTHORIZED BIOGRAPHY, which was first serialized in THE NEW FEDERALIST, beginning with Vol.V, No. 39., and later published by "Executive Intelligence Review". Some of the claims in this massively documented volume include: -- A black Republican, a good friend of George Bush who was responsible for rallying black support for the Bush presidency, became the center of a sex

scandal in Nebraska following the collapse of the minority-oriented Franklin Community Credit Union in Omaha which he directed.

This man was Lawrence [LARRY] E. KING, Jr. King sang the national anthem at both the 1984 and 1988 Republican conventions. -- The "Franklin Committee" made a probe into charges of embezzlement and in November 1988, King's offices were raided by the FBI and \$40 million was discovered missing. Within weeks however, the Nebraska Senate, which initially opened the inquiry to find out where the money had gone, instead found itself questioning young adults and teenagers who claimed that they had been child prostitutes. Several social workers and state child-care administrators accused King of running a child prostitution ring. The charges grew, as the former police chief of Omaha, the publisher of the state's largest daily newspaper, and SEVERAL OTHER POLITICAL ASSOCIATES of King found themselves being accused of patronizing the child prostitution ring. (Could this help to confirm rumors of a large 'Nazi' infiltration force in Nebraska, similar to claims of similar Nazi presence in Dulce, New Mexico; Reno, Nevada; Montauk, New York; and New Jersey, etc? -- Interestingly all of these states begin with the letter 'N', just like 'Nazi' and 'NeuSchwabenland' do, which may OR MAY NOT have any significance whatsoever, other than mere coincidence. - Branton). -- Although King was given a 15-year federal prison sentence for defrauding the Omaha-based credit union, the magazines 'Avvenimenti' of Italy and 'Pronto' of Spain, among others, have charged that King's crimes were more serious: that he ran a national child prostitution ring that serviced THE POLITICAL AND BUSINESS ELITE OF BOTH THE REPUBLICAN AND DEMOCRATIC PARTIES.

Several child victims of King's operations charged him with participation in at least one SATANIC RITUAL MURDER of a child several years ago. Also the "Washington Post", "New York Times", "Village Voice" and "National Law Journal" covered the full range of accusations after the story broke in November of 1988. In fact, according to the book, King's money machinations were also linked to the Iran-Contra affair, and some say that King provided the CIA with information garnered from his alleged activities as a 'pimp' for the high and mighty. -- 'Pronto', the Barcelona-based, largest circulation weekly in Spain with over 4.5 million readers stated that Roy Stephens, a private investigator who has worked on the case and who heads the MISSING YOUTH FOUNDATION, "says there is reason to believe THAT THE CIA IS DIRECTLY IMPLICATED," and that the "FBI refuses to help in the investigation and has SABOTAGED any efforts" to get to the bottom of the story. -- According to this volume, several of the Omaha child prostitutes testified that they had traveled to Washington, D.C. with King in private planes to attend political events which were followed by [CHILD] SEX PARTIES. -- George Bush's name had repeatedly surfaced in the Nebraska scandal. However his name was first put into print in July 1989, a little less than a month after the Washington call boy affair had first made headlines. Omaha's leading daily newspaper reported, "One child, who has been under psychiatric care, is said to believe she saw George Bush at one of King's parties." -- Gary Caradori was a retired state police investigator who had been hired by the Nebraska Senate to investigate the case, and who HAD DIED MYSTERIOUSLY DURING THE COURSE OF HIS INVESTIGATIONS.

On July 11, 1990, during the course of his investigations, Gary Caradori, 41, died in the crash of his small plane, together with his 8-year-old son, after a mid-air EXPLOSION whose cause has not yet been discovered. A skilled and cautious pilot, Caradori told friends repeatedly in the weeks before his death that he feared his plane would be sabotaged. -- Steve Bowman, an Omaha businessman who is compiling a book on the Franklin money and sex scandal, has stated: "We do have some credible witnesses who say that 'Yes, George Bush does have a problem.'... Child abuse has become one of the epidemics of the 1990s," Bowman told 'GQ' [GENTLEMAN'S QUARTERLY magazine]. One of Bowman's sources is a retired psychiatrist who worked for the CIA. He added that cocaine trafficking and political corruption were the other principal themes. -- Peter Sawyer, an Australian conservative activist who publishes a controversial newsletter, "Inside News" with a circulation of 200,000, dedicated his November 1991 issue exclusively to the Nebraska scandal, wherein he focused on President Bush's links to the affair. In a section captioned, "The Original Allegations: Bush First Named in 1985," Sawyer writes, "...If the first allegations about a massive child exploitation ring, centered around LARRY KING and leading all the way to the White House, had been made in 1989, and had all come from the same source, some shenanigans and mischievous collusion could be suspected. However, the allegations arising out of the Franklin Credit Union collapse were not the first. "Way back in 1985, a young girl, Eulice [Lisa] Washington, was the center of an investigation by Andrea L. Carener, of the Nebraska Department of Social Services. The investigation was instigated because Lisa and her sister Tracey continually ran away from their foster parents, Jarrett and Barbara Webb. Initially reluctant to disclose information for fear of being further punished, the two girls eventually recounted a remarkable story, later backed up by OTHER children who had been fostered out to the Webb's [sic].

"These debriefings were conducted by Mrs. Julie Walters, another welfare officer, who worked for Boys Town at the time, and who had been called in because of the constant reference by the Webb children and others, to that institution. "Lisa, supported by her sister, detailed a massive child sex, homosexual, and pornography industry, run in Nebraska by LARRY KING. She described how she was regularly taken to Washington by plane, with other youths, to attend parties hosted by King and involving many prominent people, including businessmen and politicians. Lisa specifically named GEORGE BUSH as being in attendance on at least two separate occasions. "Remember, this was in 1985," the Australian newsletter emphasized. Mrs. Julie Walters in 1986 interviewed the alleged child prostitute, Lisa, who told her about Mr. BUSH. Lisa and her sister Tracey were temporarily living at the time in the home of Kathleen Sorenson, another foster parent. Mrs. Walters explained that at first she was very surprised by her revelations, but Lisa -- who come from a very underprivileged background with no knowledge of political affairs -- gave minute details of her attendance at political meetings around the country. Julie Walters' 50-page handwritten report states: "3/25/86. Met with Kathleen [Sorenson] and Lisa for about 2 hours in Blair [Neb.] questioning Lisa for more details about sexual abuse.... Lisa admitted to being used as a prostitute by Larry King when she was on trips with his family. She started going on trips when she was in 10th grade. Besides herself and Larry there was also Mrs. King,

their son, Prince, and 2-3 other couples. They traveled in Larry's private plane, Lisa said that at these trip parties, which Larry hosted, she sat naked 'looking pretty and innocent' and guests could engage in ANY sexual activity they wanted [but penetration was not allowed] with her.... Lisa said she first met V.P. George Bush at the Republican Convention [that Larry King sang the national anthem at] and saw him again at a Washington, D.C. party that Larry hosted.

At that party, Lisa saw no women... "The polygraph test which Lisa took only centered around sexual abuse committed by Jarrett Webb. At that time, she had said only general things about Larry's trips [i.e. where they went, etc.]. She only began talking about her involvement in prostitution during those trips on 3/25/86.... "Lisa also accompanied Mr. and Mrs. King and Prince on trips to Chicago, N.Y. and Washington, D.C. beginning when she was 15 years old. She missed twenty-two days of school almost totally due to these trips. Lisa was taken along on the pretense of being Prince's babysitter. Last year she met V.P. George Bush and saw him again at one of the parties Larry gave while on a Washington, D.C. trip. At some of the parties there are just men [as was the case at the party George Bush attended] -- older men and younger men in their early twenties. Lisa said she has seen sodomy committed at those parties.... "At these parties, Lisa said every guest had a bodyguard and she saw some of the men wearing guns. All guests had to produce a card which was run through a machine to verify who the guest was, in fact, who they said they were. And then each guest was frisked down before entering the party." -- A Franklin Committee report stated: "Apparently she [Lisa] was contacted on December 19 [1988] and voluntarily came to the FBI offices on December 30, 1988. She was interviewed by Brady, Tucker and Phillips. "She indicates that in September or October 1984, when [Lisa] Washington was fourteen or fifteen years of age, she went on a trip to Chicago with Larry King and fifteen to twenty boys from Omaha. She flew to Chicago on a private plane. "The plane was large and had rows of two seats apiece on either side of the interior middle aisle. "She indicates that King got the boys from Boys Town and the boys worked for him. She stated that Rod Evans and two other boys with the last name of Evans were on the plane. Could not recall the names of the other boys. "The boys who flew to Chicago with Washington and King were between the ages of fifteen and eighteen.

Most of the boys were black but some were white. She was shown a color photograph of a boy and identified that boy as being one of the boys on the plane. She could not recall his name. "She indicates that she was coerced to going on the trip by Barbara Webb. "She indicates that she attended a party in Chicago with King and the male youths. She indicated GEORGE BUSH was present. "She indicates that she set [sic] at a table at the party while wearing nothing but a negligee. She stated that George Bush saw her on the table. She stated she saw George Bush pay King money, and that Bush left the party with a nineteen year old black BOY named Brent." Lisa stated that the party George Bush attended was in Chicago in September or October 1984. According to the "Chicago Tribune" of October 31, 1984, Bush WAS IN FACT in Illinois campaigning for congressional candidates at the end of October. "Eulice [Lisa] indicated that she recognized George Bush as coming to the party and that Bush had two large white males

with him. Eulice indicated Bush came to the party approximately 45 minutes after it started and that he was greeted by Larry King. Eulice indicated that she knew George Bush due to the fact that he had been in political campaigns and also she had observed a picture of Bush with Larry King at Larry King's house in Omaha." The report stated: "Lisa was given four polygraph tests administered by a state trooper at the State Patrol office on Center Street in Omaha. The state trooper, after Lisa's testing was completed, told [another foster parent] he tried to 'break Lisa down,' but he was convinced SHE WAS TELLING THE TRUTH." If the deviant machinations of George Herbert [the pervert] Bush and his fellow Nazi conspirators isn't enough to fan the flames of your patriotic indignation to the melting point... then just read the following regarding their ring-leaders, the German immigrant billionaire family, the Rockefellerns -- er, I mean the Rockefellers:
