## **The Federal Emergency Management Agency**

*The following is from the Patriot Archives ftp site at: <ftp://tezcat.com/patriot> If you have any other files you'd like to contribute, e-mail them to [alex@spiral.org](mailto:alex@spiral.org). Although an excellent article, the January 1995 edition of 'Monitoring Times' magazine published only a tiny portion of what FEMA has been tasked by Executive Order to perform. FEMA was brought into existence by E.O. All the frequencies I have for FEMA follow my comments here: Federal Emergency Management Agency [F.E.M.A.] [and other emergency agencies]: F.E.M.A. [Federal Emergency Management Agency] has been authorized for the past 15 years by Presidential Executive Orders to confiscate ALL PROPERTY from the American People, separate families in the current 43 internment camps [already built and operational by the way, 5 of which are located in Georgia. The largest can confine somewhere on the order of 100,000 American citizens], called relocation camps by the 'government', for assignment to work camps; declares martial law and TOTALLY OVERRIDES the U.S. Constitution. Presidential Executive Orders that are related or control this are given at the end of this. Two of the state prisons here in Georgia are currently empty, although manned by a minimal number of staff, have been setup and intentionally unpopulated by prisoners just to support this political policy. Concentration [internment] Camps. An Executive Order signed by then President BUSH in 1989 authorized the Federal Emergency Management Agency [F.E.M.A.] to build 43 primary camps [having a capacity of 35,000 to 45,000 prisoners EACH] and also authorized hundreds of secondary facilities. It is interesting to note that several of these facilities can accommodate 100,000 prisoners. These facilities have been completed and many are already manned but as yet contain no prisoners. [Remember all the TALK of overcrowded prisons that exist...]. In south Georgia there are several state prisons that except for a few guards, are completely devoid of prisoners. Under F.E.M.A., the Executive Orders which are already written and is the current law of the land, calls for the COMPLETE suspension of the United States Constitution, all rights and liberties, as they are currently known.*

*The following executive orders, which are in the Federal Register located in Washington DC for anyone to request copies of, call for the suspension of all civil rights and liberties and for extraordinary measures to be taken in, as most of the orders state, "any national*

*security emergency situation that might confront the government." When F.E.M.A. is implemented, the following executive orders will be immediately enforced:*

*E.O. 12148 - FEMA national security emergency, such as: national disaster, social unrest, insurrection, or national financial crisis.*

*E.O. 10995 - "... provides for the seizure of ALL communications media in the United States."*

*E.O. 10997 - "... provides for the seizure of ALL electric power, petroleum, gas, fuels and minerals, both public and private."*

*E.O. 10998 - "... provides for the seizure of ALL food supplies and resources, public and private, and ALL farms, lands, and equipment."*

*E.O. 10999 - "... provides for the seizure of ALL means of transportation, including PERSONAL cars, trucks or vehicles of any kind and TOTAL CONTROL over all highways, seaports, and waterways."*

*E.O. 11000 - "... provides for the SEIZURE OF ALL AMERICAN PEOPLE for work forces under federal supervision, including SPLITTING UP OF FAMILIES if the government has to."*

*E.O. 11001 - "... provides for government seizure of ALL health, education and welfare functions."*

*E.O. 11002 - "... designates the postmaster general to operate a national REGISTRATION of all persons." [Under this order, you would report to your local post office to be separated and assigned to a new area. Here is where families would be separated].*

*E.O. 11003 - "... provides for the government to take over ALL airports and aircraft, commercial, public and PRIVATE."*

*E.O. 11004 - "... provides for the Housing and Finance Authority to relocate communities, designate areas to be abandoned and establish new locations for populations."*

*E.O. 11005 - "... provides for the government to TAKE OVER railroads, inland waterways, and public storage facilities."*

*E.O. 11051 - "... the office of Emergency Planning [has] complete authorization to put the above orders into effect in time of increased international tension or economic or financial crisis."*

*All of the above executive orders were combined by President NIXON into Executive Order 11490, which allows all of this to take place if a national emergency is declared by the President. The burning and insurrection in Los Angeles in the case of Rodney King could have executed [and partially did execute] these Executive Orders.*

*Executive Order 12919: "National Defense Industrial Resources Preparedness" signed by CLINTON June 3, 1994, delegates authorities, responsibilities and allocations of F.E.M.A.'s Executive Orders [last entry] for the confiscation of ALL PROPERTY from the American people, and their re-location and assignment to 'labor' camps. The Executive*

Order also supersedes or revokes eleven (11) previous Executive Orders [from 1939 through 1991] and amends Executive Order 10789 and 11790. This executive order is A DECLARATION OF WAR AGAINST THE AMERICAN PEOPLE by the [Secret] Government of the United States in concert with the UNITED NATIONS. Operation Dagnet. Janet Reno can implement this operation upon receiving one call from the President. Arrest warrants will be issued via computer to round-up over 1 MILLION PATRIOTIC AMERICANS who may 'resist' the NEW WORLD ORDER. Americans who are not 'politically correct.' Specifically mentioned are CHRISTIANS or those who read the Bible. Cultist Definition by Janet Reno, Attorney General USA Concentration/internment camps have already been built to accommodate these American prisoners. See above paragraph as these internment camps have been setup and are run by F.E.M.A.

(Note: In reference to Christians, just where should they/we stand in regards to defending America? Should Christians take up arms if necessary? Apparently the Founding fathers of the American Republic believed so, so long as it was in order to DEFEND their country, their women and children... and NOT in order to engage in offensive warfare for the sake of conquering and exploiting others, which to me would be "living by the sword" or you could say "making a living" by the sword. This could be exemplified by the Germans who initiated unprovoked invasions of their neighbors to meet their economic needs during World Wars I and II.

One might ask, what about all the Orthodox Jews and Greek Orthodox Christians who went to their deaths like lambs to the slaughter without resisting during World War II? Why didn't they fight more zealously to defend themselves? That is a hard question and one that I don't have an answer for. It may have simply come down to a lack of unity of faith and understanding of the threat. All I can say is that from my study of the Old and New Testaments, I find no passage that forbids us from defending ourselves from aggressors -- at least in a national sense, however we ARE forbidden to become the unprovoked aggressors ourselves or engage in conflicts which are offensive rather than defensive oriented. The offensive attacks against the native Americans for instance, resulting from the Anglo invasion of North America, can NOT be justified through scripture, and such policies and mistreatment of the native Americans, the continuous betrayal of treaties, and the stealing of their God-given land in the past have or will doubtless have an adverse affect on America's destiny UNLESS reparations are made to the native peoples -- for instance a restoration of historical territories. Perhaps the Greys felt justified in repeatedly violating our government's secret 'treaties' with them because 'we' had done the exact same thing to the native Americans?

Perhaps we in part DESERVED the abuses that the Greys have inflicted upon us? Perhaps our nation's destiny will be largely determined by how we treat the native Americans from here on out, whether or not we begin to honor ALL of the treaties that 'we' had made and broken in the past? Could it be? On the other hand, if OFFENSIVE warfare is forbidden by God, then DEFENSIVE warfare against a foreign invasion of American soil -- or an internal threat to our freedoms, as guaranteed in the Bill of Rights WOULD, from my perspective, be justified. In Psalm 125:3 we read how the rule of the

wicked is a *DIRECT VIOLATION* of the will of God: "...For the wicked shall not rule the godly, lest the godly be forced to do wrong." A perfect example would be the Lutherans of Germany who all-too-often capitulated to the Nazi's who themselves were backed by Luciferian cults which the Christians should have resisted. Instead, many of these backslidden Christians in Germany grudgingly supported the atrocities of their Nazi leaders, and by default the extermination of millions of Jewish, Gypsy and Slavic men, women and children. Why could Martin Luther himself stand alone against hundreds of pompish religious hypocrites at the council of Worms in Germany and boldly accuse them of blasphemy to their faces, yet many of his Protestant followers -- not detracting from those few brave souls who *DID* resist -- gave-in right and left to the Nazi Satanists, and in some cases even contributed to the atrocities of World Wars I and II?

So in short, if a situation exists wherein an offender or a defender must die -- one or the other so that the other could live -- then the defender would be the one who should keep his or her life. In warfare, the *INVADER* should be considered a 'murderer' for killing a human being; whereas if the *INVADED* took the life of an invader, it should be considered 'execution' in retribution for the murderous acts of the invaders themselves. All of this would be justified in the name of and according to the rules of the society which gives the defending citizens the power to defend his or her country, just as one is authorized to use deadly force against an unwelcome intruder into their home if they feel their life is being threatened. The only exception to this would be an offensive invasion of an allied country which has been invaded by an enemy force, or the *SELECTIVE* invasion of an enemy country in order to rescue allied citizens who are being held within a targeted region -- as in underground bases for instance? -- in which case the invasion should be considered a form of self-defense on behalf of their own citizens, so long as the invader *REMAINS* in a mode of 'offensive defense'. - Branton)

Operation Rolling Thunder.

Reno and Benson have mentioned this operation which comprises county-wide sweeps of house to house, dynamic entry, search and seizures for all guns and food stockpiles by B.A.T.F., state national guard, activity duty soldiers, as well as local police. This function is also run and coordinated through F.E.M.A.

Public Law 100-690 banned almost *ALL RELIGIOUS GATHERINGS* [not yet enforced..]. (Note: When and if this is enforced, this will be a blatant defecation upon the *BILL OF RIGHTS*, and in this event every true American is allowed -- and in fact it will be his and her Patriotic *DUTY* -- to implement the clause within the *DECLARATION OF INDEPENDENCE* to *OVERTHROW* such an alien or *FOREIGN* tyranny-structure which has like a tape-worm infested the governing 'body' of America. - Branton); grants no-knock search and seizures without a search warrant; expands the drug laws to include *EVERY* American.

This will generally be the prelude, or in addition to, a F.E.M.A. operation and contingency plan implementation. The Omnibus Crime Bill of 1990. Ensures confiscation of all private property via money laundering, environmental violations of the Clean Water and Air Act, and extends as far as child abuse. This act also coordinates activities

*through F.E.M.A. and the Department of the Army, Commanding General, U.S. Forces Command, Fort McPherson, GA which is the executive and implementing agency upon initiation of many of these acts. The responsible agency within U.S. Army Forces Command was what used to be known as the Deputy Chief of Staff for Operations, Plans Division [DCSOPS, Plans], which was changed several years ago to J-3 after the Headquarters became a joint headquarters. They keep on file copies of all F.E.M.A. Emergency Management Operation Plans, including those plans developed by the Army to support the F.E.M.A. plan to eliminate the U.S. Constitution upon implementation. According to current plans, the Constitution will be 'temporarily' discontinued and shelved until the real or perceived and declared 'threat' has been neutralized (ask yourself -- who or what is the REAL threat that needs to be 'neutralized'? - Branton). But once 'shelved,' as with almost every other action of the Government, it STAYS shelved.*

*The Crime Bill of 1994. Banning of all military weapons which are necessary to the formation of a militia [when needed], denies other military equipment to the people's militia units (that's OK... the average American gun owner can legally acquire this 'equipment' from off the DEAD BODIES of UN/FEMA-backed gestapo forces when they break-in to our homes to steal our personal property or try to take us and our families prisoner without due process of law. - Branton), prelude to confiscating ALL guns in the hands of private citizens, DESTROYS the 1st Amendment, and makes virtually every American an outlaw. See above comments concerning the house-to-house search. The agency responsible for the actual implementation and search is the Department of the Army in concert with local and state police, including F.E.M.A., FBI, BATF, and other Federal Agencies. SECRET UNDERGROUND BASES. There have been documented over 60 secret, VIRTUAL CITIES, UNDERGROUND, build by the government, Federal Reserve Bank Owners (such as the 'Rockefellers', etc. - Branton), and high ranking members of the Committee of 300 [some of these under-ground areas can be seen in Kansas City, Missouri and Kansas City, Kansas].*

*In additional, there exist underground Satellite Tracking Facilities which have the ability to punch your 911 address into the computer and a satellite can within seconds bring a camera to bear on your property to the point that those monitoring can read a license number on an automobile in your driveway. These facilities have as of Oct. 1, 1994, been turned over to the [foreign power of the] UNITED NATIONS. (Note: Forget the license plate, according to information released by Norio Hayakawa, this satellite technology is now so sophisticated that they can CLEARLY read every word on your driver's LICENSE supposing it were in view of the satellite. - Branton)*
